

Cancer Freeze

Getting Ready for Feb. 2, 2019

As we are busy preparing for our 13th Cancer Freeze event coming up in February, I am sitting in my office scanning over the posters from the past twelve years. I'm looking at the faces of the forty-two recipients we've been blessed to assist in their battle. Some of those precious people have received their ultimate healing and will never have to remember their battles any longer here on this earth.

Our fifth annual turkey shoot is coming up later this month, on Saturday, October 27th. Clay Allen, our friend, brother in Christ, came up with the idea in 2014 to have a turkey shoot. We told him to go for it! You see, if someone has an idea, we usually tell them if it's their idea, then it's their baby to deal with, to plan, organize, and to run. Well, that's exactly what Clay did.

In January of this year, Clay heard the words none of us ever desire to hear. Doctors told him that he had cancer. Clay didn't just organize the Cancer Freeze turkey shoot every year, he also assisted with our annual live auction at our February event. We were devastated for both Clay & his family. Our hearts were broken but we began planning as to how we could help. Our community stepped up to the plate and began to cover him in prayer and helping to assist with his financial needs. He was on our list to be a February recipient for 2019. But God had other plans for Clay. God chose to heal Clay of his pain. Today, our hearts continue to hurt. When I look around at these precious families on my wall, my heart hurts for their families. They all hurt, but when it's one of your "minions" as we call our Cancer Freeze peeps/volunteers/organizers of events, it seems to hurt a little deeper.

We encourage you to come out to "Clay's Cancer Freeze Turkey Shoot" on Saturday, October 27, 2019, to the Paxton Ag Building in Paxton, FL and support Clay's family as proceeds from this years event will go to honor them in his precious memory.

The Paxton Bobcat Baseball team recently held their annual golf tournament to raise funds for their upcoming season. This year, the event was named in memory of Jake Taylor, who was a long time supporter of Paxton Athletics and Assistant Baseball Coach. Jake was a 2018 Cancer Freeze recipient who passed away in May of this year. Cancer Freeze was honored to receive a portion of the proceeds from this amazing event.

A huge thanks to Coach Nate Moore, Coach Chris Davenport, The Taylor Family, and the Bobcat Baseball team.
