

Freezin' For A Reason...

ISSUE 15

JAN - MAR 2019

Feb. 2, 2019 - Almost Here!

This is the time of year that is both the most precious time of praying for and lifting up our new recipients, as well as the busiest time for every area of my life. We eat, drink and sleep Cancer Freeze before the February event. There are lists to be made, then checked off, there are people to text, call, email, etc. My mind is spinning in so many directions at once that sometimes it's hard to know what day it is. But this - this is what we love doing because this is what God has called us to do. This is our mission and our focus all year, but especially just before the BIG event. With smiles on our faces and a warm-fuzzy in our hearts, we get up and face each day knowing that we are doing what must be done! For who, you may ask? Not for us, but for the 6 chosen recipients that you will see on the last page of this newsletter. THEY are the reason we do what we do. It is all about them and their daily battle, in hopes that at least some small thing we do will make their life just a little easier each day. See you at Lake Jackson in Florala, AL on 2.2.19.
