

Freezin' For A Reason...

ISSUE 18

OCT - DEC 2019

Blessing Others Blesses Us!

Every. Single. Time.

Yes, it is always such a blessing as we are able to bless others. And stop just a minute to think how any of this is even possible. YOU. Every single one of you who gives of your time, energy, love, money...YOU are the only reason this works folks! Without the vast group of faithful followers, we would never be able to do even a fraction of what we do. Without each and every one of you, our efforts would be so miniscule.

Thank you - just 8 letters that make up 2 words but never seems to be enough. It never truly says how we feel about our CF supporters. But it's all we know to say....so THANK YOU from the very bottom of our hearts that you walk this journey with us and help us immensely to achieve what we believe is a calling on our hearts. We truly want to help the families that cancer affects so deeply and without you it would not be possible.

We have begun to gear up for the busiest time of year and we look around to see everyone in our crew gearing up with us. Again, we are blessed.

Caleb & Jennifer Davidson,
Cancer Freeze Founders
